

Orientation to Fisheries & Wildlife
FW 107

Credit hours: 1

Term offered: Fall

Instructor: Allen

Course Objectives:

1. Learn the requirements of a F&W degree and what resources and opportunities are available to you in the Department of F&W and at OSU.
2. Meet people who are working in the Fisheries and Wildlife profession.
3. Become familiar with the agencies/companies that hire our graduates.
4. Meet faculty and students from our department and other departments on campus.

Prerequisites: None

Text: None

Testing: None. This is a Pass/No pass class and will be graded largely on attendance. You must be present for a minimum of 8 of the 10 classes to pass. You will be asked to fill out an evaluation sheet for each meeting. These evaluation sheets will be done in class and turned in at the end of the class session. Your grade is based on attendance.

Term paper: None

Students for whom the course is intended: Class is intended for freshman entering Fisheries and Wildlife and any other students that might be interested in looking into the major/profession of Fisheries and Wildlife.
